

**RULES FOR MANNEQUIN CONSTRUCTION:**  
**Mannequin Entries will receive one trophy per entrance**

1. Mannequins named George are barred from competition.
2. Mannequins must utilize skis/snowboard in their construction.
3. Mannequins must have no more than three skis/snowboards.
4. No Mannequin shall be naked or obscene in appearance excepting those dressed as normal Ski Patrollers will be allowed a waiver from the "Obscene In Appearance" clause due to an obvious, unavoidable conflict.
5. Weight cannot exceed 150 lbs. You are responsible to use your own manpower to tow your creation to the top of the jump plus cleanup your mannequin after the event.
6. It is encouraged to build a mannequin that is animated however, the public must not be placed in harms way. Those using pyrotechnics or fire DO SO AT THEIR OWN RISK and must ensure their "effects" do not place anyone in danger. (When entering your mannequin please note if it has any animation or pyrotechnics). No aerial fireworks allowed. (Firecrackers & smoke bombs are ok.)
7. Humans may not impersonate a mannequin. All mannequins are subject to a hammer test.
8. A mannequin that wins "Best of Show" may also be eligible to win one other category.
9. Due to security/ safety concerns please do not incorporate candy into your mannequins. If you would like to give-away candy you can have it on the deck.
10. Mannequins must be registered by 2pm and on patio by 3pm for Best of Show judging. Judging to take place at 3:00pm
11. All decisions by judges are final.

Trophies will be awarded in the following categories:

Biggest Bad Air - Distance - Crowd Pleasers & Engineering (Rube Goldberg Award) - Best of Show (judged while on the patio) & Yard Sale.

*A distinguished panel of judges will determine winners.  
A Ski Club/Showdown Officer will validate all entries.*
